PRINCIPAL KORERO

Kia ora koutou katoa,

Our school community has been characterized by exceptional achievement and collective excitement throughout this academic year. Students have embraced demanding academic schedules, culminating in focused final assessments, while also creating lasting memories through various events. We must specifically commend the remarkable adaptability showcased when circumstances required an amazing pivot from the traditional Pine Valley Camp to an enriching "Camping at School" experience. What an adventure! This innovative approach provided students with an exciting alternative that fostered resilience and teamwork.

The commitment to our school value of Manaakitanga (Respect)—respect for self, for others, and for learning—has been evident in every classroom and on every sports field, nurturing a truly supportive environment.

This period of dedication and hard work concluded with a truly memorable occasion: the School Fun Colour Run. The event was a major highlight, perfectly uniting students, staff, and the community in a vibrant celebration of the year's success and camaraderie. We are immensely proud of this collective effort.

Looking ahead, we are delighted to announce our teaching structure and staff placements for the upcoming year. This structure is designed to support continuity and foster strong learning relationships across all levels:

- Tī Kōuka (Year 0-1): Leah Waddington and Emily Morris
- Kawakawa (Year 2-3): Aaron Harrison and Vicki Hawes
- Makomako (Year 4-5): Erica Barlow
- Rewarewa (Year 6): Julian Mason
- Kōwhai (Year 7-8): Sarah Kerr
-

Ngā mihi nui,
Nic Walker Principal, Tua Marino School

TUA MARINO SUPER SCHOOL SLEEPOVER 2025
